

# VMT ELIMINATOR

Vehicle Miles Traveled

Brought to you by Community for Sustainable Energy and the city of Fort Collins.

Calculate how many miles per week your family drives

Fill in the chart with the estimated number of miles you drive each day for routine trips

Trip	Mon	Tues	Wed	Thurs	Fri	Sat	Sun	Total
Work								
School								
Shopping								
<b>Total</b>								

Calculate how miles per week could **POTENTIALLY** be eliminated through alternative modes of travel.

Fill in the chart with the estimated miles that can be avoided and how to do it (see attachment).

Trip	Mon	Tues	Wed	Thurs	Fri	Sat	Sun	Total
Work								
School								
Shopping								
<b>Total</b>								

How many miles are you willing to pledge to reduce per week, based on the above chart? \_\_\_\_\_Miles
